

Custom Pre-finishing and Milling

Edmund Allen has 64 years of pre-finish experience over multiple substrates. We proudly custom mill, paint or stain Accoya siding and trim.

Our pre-finish process has been refined over the years with very strict guidelines to ensure the performance of our coatings and the products they cover.

Please call 800-892-1884 for pricing and lead times, or reach out via e-mail at sales@edmundallen.com.

accoya®

**DIMENSIONALLY
STABLE**

So dimensionally stable that even harsh environments will not impact installation.

Custom Siding and Trim

- Edmund Allen can custom mill any siding profile you need. Send us your design! We also have a large library of tooling for popular profiles already in place.
- Smooth, resawn, and wire brushed textures available.
- Custom pre-finish options available.
- Available random length only, 8'-16', evens.

By combining superior stability and durability with the beauty of natural wood, you can achieve the look and the performance you want from your wood siding and trim.
